This Agreement is solely between you and Developer, and governs your use of Developer's software application and the corresponding services it provides (together, along with the associated documentation, proprietary, or intellectual property: the **App**). Review this Agreement completely. **You agree to be bound by the terms of this Agreement when you click "Accept" or otherwise download, install, copy, or use the App, and must accept this Agreement before doing so.** If you do not agree to the terms of this Agreement, you must click "Decline" and must not download, install, copy or use the App.

1. The App

1.1 The App will provide you with the ability to purchase a wristband or card embedded with an RFID chip.

1.2 Developer grants you a limited, non-exclusive, non-transferable, non-sublicensable, revocable license during the Term of this Agreement to use the App solely for your internal business purposes. You will not otherwise distribute, lease, rent, host, sublicense, transfer, sell, export, modify, reverse engineer, decompile, copy, benchmark, create derivative works from, or attempt to derive the source code for the App. This license does not grant you any rights to Developer's (or any other third party's) trademarks, service marks, logos, trade dress, proprietary, or other intellectual property unless provided with the App. Developer reserves to itself (or applicable third parties) all right, title, interest, and license (express or implied) to the App that are not specifically granted to you under this Agreement. You will preserve and display any proprietary notices, markings, or branding associated with use of the App.

1.3 The App may update automatically from time-to-time, and you may be required to accept these updates to continue using the App. Developer may perform maintenance on the App, which may result in service interruptions or delays from time-to-time. Developer may not support older versions of the App. You are solely responsible for obtaining all equipment and services (e.g., Internet connectivity) necessary to access and use the App.

2. Fees

You will pay Developer a monthly fee for your use of the App, which will be automatically collected through the payment method you select during set-up for the App. You are responsible for payment of all sales, use, excise, or similar taxes (excluding taxes based on Developer's income) imposed by federal, state, or local tax authority. You must notify Developer of any billing errors within 120 days from when an error appears on your invoice, after which time period you release Developer from all liability for Losses (defined below) resulting from these errors.

3. Term

This Agreement commences when you accept or otherwise download, install, copy, or use the App; and will continue month-to-month until terminated (this period of time is the Agreement's **Term**).

4. Suspension and Termination

4.1 Developer may promptly suspend or terminate your use of the App if (1) you violate this Agreement's terms; (2) Developer believes your use of the App may damage its reputation or intellectual property rights; (3) Developer suspends or terminates its agreement(s) with any third party involved in providing the App; (4) you exceed normal and reasonable usage for the App; (5) you experience a bankruptcy or insolvency event; or (6) you are using the App for any fraudulent, illegal, or unauthorized purpose, or engage in willful misconduct with respect to use of the App.

4.2 You may terminate this Agreement at any time and for any reason (without cause) by providing notice to Developer. Your termination will be effective at the end of the then current month or billing period in which you give notice. You will not receive a refund for the billing period in which you terminate this Agreement.

5.4 You may provide, or Developer may invite you to provide, comments or ideas about the App (including, without limitation, improvements to it) (together, **Ideas**). By submitting any Ideas, you agree that (1) they are not Confidential Information; (2) they are not subject to any use or disclosure restrictions (express or implied); (3) you claim no rights in them; and (4) Developer has no obligation to notify or compensate you in connection with their disclosure or use. Developer may assume the defense of any third party claims that you must indemnify it for (at your expense), and you will cooperate with the defense of these claims. You will not settle any third party claims involving more than the payment of money without Developer's written consent.

7.3 ***To the extent permitted by applicable law, Developer will not be liable to you for any lost profits, revenues, or business opportunities, nor any exemplary, punitive, special, indirect, incidental, or consequential damages; regardless of whether these damages were foreseeable or either of us was advised they were possible.***
